

Sphir™ Home Feed—Basic Overview

The image shows a screenshot of the Sphir Home Feed interface with several callout boxes explaining key features:

- SPHIR™**: Click the logo to return to your Follow Feed.
- Search**: Search Sphir cards, folders, and more.
- Library**: Access your personal Library.
- Profile**: Access your profile, friends, groups, account settings, and general site info.
- Notifications**: Access notifications.
- Messages**: Access messages.
- Create a card**: Create a card.
- Create a post**: Create a post.
- Update following**: Update the people and topics you're following.
- Elevate a card**: Elevate a card.
- Share, save, and post cards**: Share, save, and post cards.
- Follow Feed**: Your Follow Feed is where you'll see posts, comments, cards, and folders from others you're following.

The main content area displays a business card for **North Mountain Botanicals** (EST 2017) with 51 elevations. Below it is a post by **Sharon LeShay** (2d) about eliminating plastic from daily routines.
